All branches must be stacked neatly on the parkway with the cut ends facing the roadway. Bushes with root balls still attached must have the dirt completely knocked off. Branches should be placed out no sooner than 4:00 p.m. on the day preceding your scheduled pick-up, and no later than 7:30 a.m. on the day of your pick up.

This service is offered to homeowners in the Village of Alsip. Condo associations, apartments, and businesses should make arrangements with a private tree service or a waste hauler to have their branches picked up.

Please remember this is a **branch pick up only**. Arrangements should be made with a private tree service to pick up large tree trunks and large diameter stumps.

Trees cut down by a professional tree service or contractors **will not** be picked up.

Your cooperation will assist us with performing a safe, rapid, and efficient service.

Thank you,

Mike Fraider
