

JOB OPPORTUNITY with the ALSIP PARK DISTRICT: **Summer Seasonal Maintenance Position**

JOB SUMMARY: Reporting to the Superintendent of Parks, the Summer Seasonal Maintenance Worker is responsible for a wide variety of manual/physical labor.

Examples of this job include the following:

- Perform assigned general maintenance tasks of park grounds, facility, and equipment.
- Take responsible care of all tools, machinery and equipment used.
- Work in a cooperative and assisting manner for constant improvement of all aspects of the Alsip Park District.
- Perform other related duties as assigned.

QUALIFICATION: High School graduate with preference given to an individual with maintenance, construction, or landscape experience, and be physically capable of manual labor and have the ability to work with tools.

SCHEDULING AND PAY: This is a part-time non-exempt (hourly) position. Hours are created by the Superintendent of Parks, but are generally Monday-Friday within the hours of 6:30am to 3:00pm. This position will begin as soon as possible. Starting hourly pay is \$9.00.

HOW TO APPLY

Visit us at www.alsipparks.org – click on “About Us” on the upper right, then “Employment Opportunities”. Print out our application and submit by returning to the Apollo Center by hand or by mail. If you’d prefer, fill it out on your computer and email it to brooke@alsipparks.org
