

Illinois Bass Nation Press release;

### Illinois Bassmaster High School and Team Series is coming to Alsip

The Cal Sag in Alsip will be the site for the next two major events presented by the Illinois Bass Nation. Both events will take place at the Alsip City launch.

The first event will be on July 25<sup>th</sup>. This is the second event for the 2015 – 2016 season. Anglers participating in the Illinois Bassmaster High School Series tournament will be competing for a spot in the 2016 IBN State High School Championship. The top teams from the State Championship will go on to the Bassmaster High School National Championship where they will compete for college scholarships and prizes.

The second event for the weekend will be the Illinois Bassmaster Team Series Tournament on July 26<sup>th</sup>. These adult anglers are competing for a spot in the Team Series National Championship where several anglers will win boats, cash prizes and shot at a seat in the 2016 Bassmaster Classic. This is a unique series of tournaments that gives the opportunity to grass roots anglers to get to the “Super Bowl” of bass fishing, the Bassmaster Classic.

Many local anglers will be competing so come on out and watch the weigh-in. The High School weigh in on the 25<sup>th</sup> will begin at 1 pm. The Team Series weigh-in on the 26<sup>th</sup> will begin at 2 pm. There will be raffle prizes supplied by our sponsors for everyone to take a chance at.

If you would like to participate or get more information about either of these events go to [www.illinoisbassnation.com](http://www.illinoisbassnation.com) or [www.bassmaster.com](http://www.bassmaster.com) or see us on our facebook page. The Illinois Bass Nation is the only official organization in Illinois affiliated with the B.A.S.S. Nation.
