Direct Support Professionals are caring individuals who provide support to individuals with disabilities in a community based setting. DSPs provide assistance in daily activities such as meal preparation and planning, personal care, and medication administration. DSPs facilitate and participate in community activities. DSPs enhance the quality of life for those we serve by advocating on their behalf and empowering them to reach their full potential!

- No Health Care experience necessary, just a positive attitude and willingness to learn.
- Certified DSP preferred.
- High school diploma or GED required; must be recognized by the Illinois Department of Human Services.
- Demonstrated eighth grade reading level.
- Valid Illinois Driver's License; with a clean MVR.
- At least 23 years old.
