“Village-Wide Cleanup Day”

The Village of Alsip needs: Residents, Families, Students, Scouts, Churches and Companies to volunteer a morning on Saturday May 4, 2019 from 8:30-11:30am

ALSIP is a Great place to Live & Work, but too often garbage can be accidentally or deliberately thrown into our streets and WE are asking for your help to start the summer right by helping US take pride in having a clean community.

**Please contact the Mayor’s Administrative Assistant
Becky Smith at (708) 385-6902 Ext 317
and register to help your community look Great!**

**Maps, Bags, Gloves & Water will be available at the Village Hall
to start the Day and Public Works will collect all bags.
Please report to 4500 W 123rd Street after 8:15am**

We thank you in advance, Alsip Mayor John D Ryan
