*From the office of Mayor John D Ryan*

Alsip Residents,

Unfortunately, last night's storm is still affecting some 348 homes within the David Estates neighborhood and they're still without power. Some residents may see this message via cell phone, please note that as of this notice ComEd still didn't have an ETA for the power being restored, so Public Works Superintendent Mike Fraider is submitting a request through the Joint Operations Center for this area to be a priority for the power to be restored.

Should any residents need to visit an air-conditioned area, please visit the Village Hall and your welcome to have a seat in the Village Board room to cool off while maintaining social distancing of no more than 50 people in a room together.

Thank you for your patience,
