**October 26, 2020**

**All,**

**The Illinois Department of Transportation (IDOT) will begin construction this week for Cicero at 115th St. and 122nd St. This is a Highway Safety Improvement project with median and left turn lane repairs, traffic signal modernization and sidewalk pedestrian (ADA) ramps improvements on the northeast corner of Cicero and 115th St. and traffic signal improvements at Cicero and 122nd street. This work to be performed consists of pavement patching, median removal, combination concrete curb and gutter removal and replacement, sidewalk removal and replacement, pavement markings, traffic signal modernization and traffic signal improvements.**

**EXPECT TRAFFIC DELAYS DURING THIS TIME.**

**This project is expected to be completed by December 31st, 2020**

**Thank you,**

**Mike Fraider**
