From the office of Mayor John Ryan,

Village of Alsip currently does not have access to the Covid-19 Vaccine. We are doing everything we can to try to get a vaccination site here in Alsip but unfortunately so is every Municipality in the area. If you need a Covid -19 vaccination shot please look to the following locations and web sites to try to get an appointment. We understand how frustrating this is and understand we all need to be vaccinated. Please be patient .In the meantime please keep wearing your mask, hand sanitize and practice social distancing. We are all in this together and we look to things to get normal again in the future.

Vaccination Locations

All vaccinations are by appointment only at more than 900 locations in the state's provider network.

Make an appointment with one of the providers below. Residents who need assistance or lack online access can call the toll-free IDPH hotline at 833-621-1284 to book an appointment.

<https://coronavirus.illinois.gov/s/vaccination-location>

As the federal government distributes additional vaccine doses, additional appointments will become available. New sites and pharmacies are being added daily. Please check back regularly for available appointments.

Jewel Osco Pharmacy 12001 S Pulaski Alsip IL 60803 Cook
