

# Virtual Community Workshop

## Learn about the Moving South Cook County Study and Share Your Thoughts

Thursday, November 4, 2021  
6:00pm – 7:30pm CDT

The Chicago Metropolitan Agency for Planning (CMAP) and Cook County Department of Transportation and Highways (CCDOH) are conducting the Moving South Cook County: Truck Routing and Communities Study in your community. The goal of the study is to improve truck routing and infrastructure, and address community concerns and safety issues in south suburban Cook County.

At the community workshop, the study team will introduce the project to the community, review existing conditions, discuss the potential improvements to the project area, and provide an opportunity for questions and answers. The meeting will be facilitated through Zoom and registration is required.

### Register to attend the meeting by visiting:
