

Mayor Ryan and the Village of Alsip respectfully wish to acknowledge the untimely passing of one of our resident's Staff Sargeant David Anglin, who has been a member of the US Army for the past 9 years, served overseas and was most recently stationed at Fort Hood in Killeen, Texas. In 2016 David was promoted to a 13B Cannon Crewmember where he operated high tech cannon artillery weapon systems. Loaded and fired howitzers. Set fuses and charges on a variety of munitions, including high explosive artillery rounds, laser-guided projectiles, scatterable mines, and rocket assisted projectiles. We're told the Patriot Guard will meet David's plane at the airport tomorrow and accompany him to Curleys Funeral Home. When more information is available we will post. Our sincere condolences go out to his mother Paula and all of the Anglin family and friends, as we gratefully thank David for his service to our country.
