

## Public Information Open House

The Cook County Department of Transportation and Highways (DoTH) is proposing improvements to Pulaski Road between 159th Street and 127th Street. This 4-mile corridor extends through the City of Markham and the Villages of Midlothian, Crestwood, Robbins and Alsip.

Pulaski Road is a vital roadway serving an average of 20,000 vehicles daily traveling to nearby residences, businesses and school.

The project aims to improve safety and mobility for all users, enhance pedestrian and bicycle accommodations, rehabilitate aging infrastructure and accommodate projected 2050 travel demands.
